SPECIAL CONSIDERATIONS

Staff Discounts

As a general principle, staff employed at Siena College will be provided with a 10% discount for the enrolment of their daughter/s at Siena. This is reviewed annually and will take Fringe Benefits Tax implications into consideration.

Payment of Future Fees in Advance (One Year)

Siena College offers families the option to pay one year's future fees in advance. Payment of one year's future fees in advance is accepted with the following provisions:

- Fees quoted will be the Board approved fee schedule by year level. Fees quoted include General Tuition Fee, Facilities Fee and any further applicable charges.
- The percentage discount offered for annual payment in advance is not offered for the year in advance.
- There will be no further annual fee increases invoiced in the subsequent one year.
- Families will be required to pay for additional/extra-curricular charges such as music tuition and overseas trips.
- Payment of the Future Fees is made in full by the end of Term 2 of the year prior

If your daughter's enrolment ceases at Siena College during the prepayment period, a pro-rata refund will be calculated from the beginning of the next term after her exit.

Holding Fees

If a place is held for a student who has an approved extended absence from the College, the following criteria and ruling will be applied:

- If the absence is for one term or less, there is no reduction in school fees payable.
- If the absence is for more than one term, a non-refundable holding fee of \$1,500 will be charged and a reduction of a pro-rata amount equivalent to the length of absence will be calculated and applied.

Split Family Fee Accounts

Family fee accounts will only be split on the condition that both parents/guardians sign a change of status form and a declaration of joint and several liability for Siena College school fees. This declaration can be provided by the College upon request. Following the receipt of the signed declarations by both parties, Siena College will undertake to split the family fee account.

VCE over Multiple Years

If a student has an approved extended time to complete VCE studies, a pro-rata amount of school fees will be calculated on the basis of number of subjects enrolled in per year.
